

Radiology Department

Having a Video Swallow

Shelley at Reception

You are coming for a video swallow.

At the main reception someone can show you the way to the x-ray department.

You should have a card or letter to bring with you.

Give your card or letter to the receptionist.

You can sit in the waiting room until it is your turn.

Shelley having an x-ray

You can put an apron on to protect your clothes from any spills.

You will be asked to sit on a platform which is attached to the x-ray machine.

It is just like having your picture taken.

It does not hurt.

You should try and stay as still as you can.

Shelley eating a biscuit for her x-ray

You will be asked to swallow some white liquid.

They will take some x-rays while you are swallowing it.

You might be asked to eat some yoghurt and a biscuit too.

It will take around 15 minutes.

You can discuss your results with the Speech Therapist before you go.
