Soft Tissue Stretches

Exercise Picture

Description

Cervical Spine Side Flexion

1. Sitting on a supportive chair, with your feet flat on the floor, knees bent to 90 degrees and hip distance apart. Sit up tall and gently draw your shoulder blades back and down.
2. Tilt your head left/right, taking your ear down towards your shoulder. Keep your shoulders relaxed throughout.
3. You may feel a stretch in the your neck and shoulder muscles on the opposite side

Repetitions: 10 – 30 seconds

Hold: 3

Daily

Upper Trapezius Stretch

1. Sitting on a supportive chair, with your feet flat on the floor, knees bent to 90 degrees and hip distance apart. Sit up tall and gently draw your shoulder blades back and down.
2. Tilt your ear to your left/ right shoulder.
3. Then tip your head forwards bringing your chin towards your chest.
4. You may feel the stretch across the opposite neck and shoulder muscles.

Repetitions: 10 – 30 seconds

Hold: 3

Daily

Scalene Stretch

1. Sitting on a supportive chair, with your feet flat on the floor, knees bent to 90 degrees and hip distance apart. Sit up tall and gently draw your shoulder blades back and down.
2. Place a towel between your left/right shoulder and your neck. Holding the towel loosely behind your back with one hand and at the front with your other hand.
3. Look down, gently taking your chin towards your chest. Then tilt your head away from the towel, taking your ear towards your shoulder
4. Once in position pull the towel downwards to depress the muscles between your shoulder and neck.
5. Feel the stretch across the muscles between the neck and shoulder on the side being depressed by the towel.

Repetitions: 10 – 30 seconds

Hold: 3

Daily
