How to Measure Your Furniture

Patient Name _____

Please Return To _____

Contact Number _____

The height of your furniture can significantly affect how easy, difficult or safe it is to sit down or get up.

Accurate measurements and information are essential.

How to Measure Your Furniture

To measure your bed/chair please sit on the mattress/seat and ask someone to measure the compressed height (from the top of the lowest point of the mattress/seat to the floor).
If this is not possible please ensure you compress the mattress/seat yourself (by sitting on the bed/chair) and then measure.
