

Radiology Department

Having a CT Scan

Information for patients, carers and relatives

Easy Read

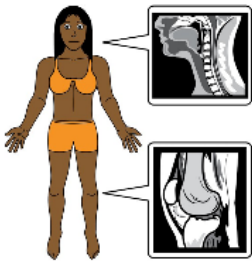

This leaflet uses easy words and pictures.
You might want to ask someone to help you read it.

CT Scan

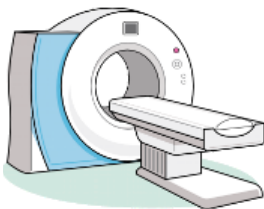

This leaflet is about having a CT scan.

CT Pictures

A CT scan takes pictures of the inside of your body.

CT Scanner

The scanner looks like a big donut with a hole in it. It has a special bed for you to lie on.

Does not hurt

The CT scan does not hurt and is not bad for you.

Injection

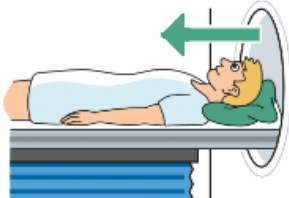

Sometimes people have an injection of a liquid called contrast. This goes into your veins.

Lay still

You need to lay still during the scan.

Table moves in and out

The bed you lay on will move through the scanner.

2 - 45 minutes

The scan usually lasts 2 - 45 minutes.

Talk to staff

You will be able to talk to the staff all the time.

Support during scan

You will be on your own in the scanning room for short periods.
Tell staff if you need someone with you at all times.

Hospital passport

If you have a Hospital Passport, please bring this with you.

We have other easy reads to support you.
