

Pre-assessment Clinics for Caesarean Sections

We would like to invite you and your birth partner to come to our Pre-assessment Clinic, which takes place in Ante Natal Clinic at Calderdale Royal Hospital on Thursday afternoon at 1 pm in preparation for the birth of your baby via caesarean section. The date of your pre-assessment appointment will be included in the letter you receive with your operation date.

It will be an opportunity for you both to talk to our staff about what to expect when you come into hospital.

All planned caesarean sections now take place at the Calderdale Royal Hospital, Halifax for all patients living in both Huddersfield and Halifax. A free shuttle bus is available for travel between the 2 Hospitals; please ask for a leaflet at reception.

Our Anaesthetist will talk to you about the anaesthetic we use.

This appointment includes a group discussion and individual meetings with our theatre team.

A midwife will talk to you about your operation; who will answer any queries you may have. Your pre-operative status will also be checked, which may involve taking blood, and you will be given tablets to take home to take the night before the operation.

There will be plenty of time for you to ask the staff any questions that you might have, it may be helpful to write them down so you don't forget them.

We will endeavour to be as efficient as possible but it would be advisable to allow a maximum of 3 hours for your visit, therefore it is not advisable to bring any other children to this appointment.

Please bring your hand held notes to the clinic.
